### **Notice to Skippers No. 18 / 2023**

Pursuant to Art. 14 sec. 1(4) of the Act of July 20, 2017 – Water Law  
(Journal Of Laws 2023, 1478, i.e.)  
and Art. 43 (6) of the Act of December 21, 2000 on inland navigation  
(Journal of Laws of 2022, item 1097, as amended),

#### **State Water Holding Polish Waters Regional Water Management Board in Bydgoszcz**

hereby informs that in connection with the continuing unfavorable hydrological situation within the Białośliwie water gauge station located at km 76+090 of the Lower Noteć River, as well as to ensure appropriate conditions for the implementation of the investment entitled "Restoration of the morphological permeability of the Noteć River from Pakość to Krostkowo", the dismantling of weirs at individual water stages will be carried out:

- **Nowe**            **km 111+860,**
- **Walkowice**    **km 117+730,**
- **Romanowo**    **km 122+600.**

**Due to the above, from November 13, 2023, there will be a temporary closure of the waterway to navigation on the section of the Lower Noteć River at km 68+200 - 128+330.**

Please exercise extreme caution and follow the displayed navigational signage.
