**State Water Holding Polish Waters
Regional Water Management Board in Bydgoszcz**

informs that as of **July 3, 2023**, until further notice, the **Okole Lock no. 3, located at km 014+800 on the Bydgoszcz Canal, on the Vistula – Oder waterway connection, will be temporarily out of service** due to a failure of electronic elements, which prevents the filling and emptying of the lock chamber and which necessitates repairs on the aforementioned facility.

**The current condition of the lock does not allow vessels to cross in either direction.
We will announce the restoration of the lock to full operation in a separate Notice to Skippers.**
