**State Water Holding Polish Waters
Regional Water Management Board in Bydgoszcz**

informs that by July 10, 2023, Lock No. 22 Krzyż at km 176+200 of the lower Noteć waterway, at the Vistula-Oder water connection, will be decommissioned, due to the start of the task entitled "Renovation of outer harbours on the Krzyż Lock". The current state does not allow the crossing of vessels in both directions.

If the appropriate hydrological conditions are met, it will be possible to cross the weir channel and the launched navigable span of the weir, with particular care, observing the appropriate coastal and floating navigation markings.

The date of starting the redirection to the weir will be published in a separate Notice. The approximate date of opening the navigable span is April 28, 2023.

In order to obtain detailed information on shipping conditions, please contact us from Monday to Friday, from 7:00 a.m. to 3:00 p.m. from RWMB in Bydgoszcz (tel. +48 532 033 484) or see the news published on the website: bydgoszcz.wody.gov.pl under the Notices to Skippers tab.
